Designer Babies: Ethical Considerations

Designer babies: Not today, but perhaps tomorrow There are two types of moral or ethical questions one can ask about designer babies The first addresses the specific technologies that might be used to modify or select a baby's genetic makeup The second question looks away from technological details to focus on the very idea of a designer baby²

Early Literacy - Scholastic

babies love hearing the sounds of their parents' voices reading to them, even when it is the morning paper (Bernstein, 2010) What we know: • Children thrive when they are immersed in rich language, oral and written, morning, noon, and night Play with language, recite nursery rhymes, sing songs, and engage children in daily
